AGREEMENT

As the legal owner/guardian for the above-mentioned dog(s), I understand and agree that Michael Carmona Jr., DBA Master Dog Training, its employees, agents, contractors, and sub-contractors herein after referred to as MDT shall not be liable for any injury, sickness, death or damage my dog may suffer during or after any training program. I also agree to indemnify and hold harmless MDT from any and all claims due to damage or injury to property, family members or any third parties during or after training.

I and MDT reserve the right to refuse or terminate training services at any time. I understand that MDT makes no representations, guarantees, implied or expressed promises that the training received will cure my dog of any dangerous propensities. It is fully understood that regardless of any type of training, a dog will always possess the propensity to bite. I understand that there is no guarantee that my dog will be responsive to training and therefore there are no refunds; and the fee paid is for MDT's time and good faith effort to train my dog. Pre-paid sessions will be prorated at the regular rate.

I agree to pay the fee listed above for MDT's services before services are started; a \$25 no show or cancellation fee if I do not give at least 24 hours notice of cancelling a scheduled appointment; and a \$25 returned-check fee should I write a check for which there are non-sufficient funds; a \$25 chargeback fee should I cancel a credit card payment; 1.5% per month finance charge for balances 30 days past due; and any other fees related to non-payment, collections, legal and court costs.

Regarding Classes/Groups: I understand that once a class has started, there will be no refunds for any reason, and my fee paid makes the class/group financially possible.

I understand that any child under the age of 18 years present during the training must be accompanied by an adult.

I affirm that I have proof that my dog is current on all vaccinations appropriate for my dog's age. I also affirm that I have reported any dangerous behavioral problems my dog may have or show towards the trainer, other people, or other dogs prior to training such as but not limited to fear, phobias, anxiety, dominance, and aggression.
